tender years - rel. 1983

a summer love, a beach romance
sought her kisses in the sand

two young hearts filled with fire
lost in never never land

whoa whoa tender years, won't you wash away my tears
how i wish you were here, please don't go tender years

VAN MORRISON

moondance - rel. 1971

well it's a marvelous night for a moondance
with the stars up above in your eyes

a fantabulous night to make romance
'neath the cover of October skies

and all the leaves on the trees are falling
to the sound of the breezes that blow

and i'm trying to please to the calling
of your heart-strings that play soft and low

autumn leaves - rel. 1957

the falling leaves drift by the window

the sunburned hands i used to hold
